Thank you for your commitment in helping all the animals! Without the help of generous people like you who give of their time, talent, and skills we would not be successful. Please consider the following:

- Being a board member requires a commitment of your time. If at any time you are unable to fulfill your obligations, please notify the board so they can consider other options to ensure continuity of work.
- Board members are required to be involved with the Mansfield Animal Shelter and/or in any other capacity of helping animals which includes a variety of duties and responsibilities.
- An MSF board member’s terms are as follows; 1 yr (for new members), 2 yrs, 3yrs or 4 yrs. The terms are staggered to assure that the board will always have active members.
- Board members are required to attend Board meetings that take place several times during the year. Habitual absence from such meetings can result in removal from the board for such individual. Also, a member in any category may be removed from the board for behavior deemed harmful to the purposes and goals of the Corporation as determined by the Board of Directors.
- At any time, there could be items for the board to consider and vote on. These items will be documented and voting can be done via email or at a board meeting.
