

***How to Donate a Fleece Pad
For one of our Kuranda Dog Beds
Currently used by Mansfield Shelter Dogs***

Thanks to your generosity, all of our dogs now enjoy sleeping on Kuranda dog beds. But the dogs are restless sleepers, and their bedding often ends up on the floor. Kuranda fleece pads attach to the bed and remain in place. If you would like to donate a fleece pad, follow the instructions below. Thank You!

1. Past this link into your browser to go to the Kuranda website “Donate a Bed” page: <http://kuranda.com/donate>
2. Choose Massachusetts from the scroll down list of states, and click “Go.”
3. Choose Mansfield Animal Shelter (not Marshfield) from the list of shelters, and click “Donate.”
4. Enter the quantity, and click “Add Selection to Donation Cart.”
5. Follow the checkout and payment directions on the Kuranda website.

Thank You!
